

# Certificate in Body Massage

## INTRODUCTION

The Beauty Section has three fully equipped Salons together with a reception area for all practical skills. Theory sessions will be taught either in the resource area or various classrooms.

## WHAT WILL I DO

The course consists of units covering:

- Monitor and maintain health and safety practice in the salon.
- Provide body massage.
- Client care and communication in beauty-related industries.

During practice sessions students will be required to work on each other.

The course of study will include theoretical and practical sessions through individual and group work together with written tests, some assignment work, and the production of a portfolio of evidence. Students will be required to gain practical experience by performing treatments on clients in the realistic working environment of the salon and complete practical massage assessments. The average group size is 16 students.
