

17th Edition Update (City and Guilds 2382-20)

INTRODUCTION

You can choose to study this course at either **Boston College**, Skirbeck Road, Boston or **Red Lion Quarter**, Spalding.

This course will identify changes from 16th to 17th Edition. This qualification is primarily aimed at practising electricians with a working knowledge of BS 7671 and who have already achieved one of the accepted qualifications (please see below). Anyone without existing knowledge of the requirements of BS 7671 must undertake the qualification addressing the Wiring Regulations in full – the City & Guilds Level 3 Certificate in the Requirements for Electrical Installations (BS 7671 2008) (2382-10).

HOW LONG WILL IT TAKE

1 day plus a 1 hour online exam. Exam must be taken at Boston College

ENTRY QUALIFICATIONS

- City & Guilds Level 3 Certificate in the Requirements for Electrical Installations (BS 7671: June 2001) (2381), or
- City & Guilds Level 3 Certificate in Electrotechnical Technology Installation (Building and Structures), (2330 07) or
- City & Guilds Level 3 Certificate in Electrotechnical Technology Electrical Maintenance (2330-08), or
- City & Guilds Level 3 Certificate in Electrical Installations Part Two (2360) (from 1st January 2004 onwards only).

Summitskills have recently announced that they have extended the entry requirements for the wiring regulations update. The 2351 is now acceptable as an entrance exam for the 2382-20 Certificate in the Requirements for Electrical Installations (16th to 17th edition update) only if achieved as part of an Electrotechnical Advanced Apprenticeship completed after 1st January 2004. Centre staff will need to see certificates prior to the start of the course.

FEES

Please enquire for details of fees.

ADDITIONAL COSTS

The examination will take place one evening after the course; it is classed as an "open book" exam with the following reference material permitted:

- IEE Wiring Regulations BS 7671: 2008.

(Please note that this is not included within the course cost).
