

INTRODUCTION

The aim of this course is to enable the student to pursue a career in the beauty therapy field.

The beauty section at Boston College has three fully equipped training salons (which are open to the public) together with a reception area for all practical skills. Theory sessions will be taught either in the resource area or various classrooms.

WHAT WILL I DO

The course consists of eight units covering topics such as :-

- Monitor procedures to safely control work operations
- Contribute to the planning and implementation of promotional activities
- Provide body electrical treatments
- Provide Facial electrical treatments
- Provide body massage treatments
- Provide electrical epilation treatments
- Carry out massage using pre-blended aromatherapy oils
- Provide self tanning services

Plus further qualifications: providing stone therapy treatments and fashion and photographic make-up.

The course of study will include theoretical and practical sessions, online written tests, practical assessments on clients and the production of a portfolio of evidence. Students will have the opportunity to undertake trade tests for work experience in a health farm.

Each student will have access to information on study skills and the opportunity to attend study support groups. The average group size is 14-16 students.
