

Nail Technology Reduced Tips and Acrylic Overlays

INTRODUCTION

This is an introduction into nail technology which is becoming increasingly popular within the beauty industry.

During the workshop you will cover how to apply reduced white tips successfully. You will also cover the application of acrylic overlays.

During the day you will have to work with other members of the group practising the techniques on each other.

HOW LONG WILL IT TAKE

This is a full one day course on Saturday 20th November 2010

Between 10am and 4pm

ENTRY QUALIFICATIONS
