

Apprenticeship in Vehicle and Maintenance Repair

INTRODUCTION

This Apprenticeship is aimed at those who are interested in gaining a recognised qualification to lead into a career in the Motor Vehicle industry.

WHAT WILL I DO

This Apprenticeship framework consists of the following units:

- G1 – Contribution to Workplace Good House Keeping
- G2 – Ensure own Actions Reduce Risks to Health & Safety
- G3 – Maintain Positive Working Relationships
- MR01 – Carry out Routine Vehicle Maintenance
- MR02 – Remove and Replace Engine Units and Components
- MR03 – Remove and Replace Electrical Auxiliary
- MR04 – Remove and Replace Vehicle Chassis Units and Components
- MR12 – Remove and replace Vehicle Transmissions/Driveline Units

All units are assessed through practical assignments, internal phase test and external on-line examinations. All units must be successfully completed to achieve this award. Work-based assessments will also form part of the qualification.

HOW LONG WILL IT TAKE

This course runs for two years on a day release basis. Learners will attend College one day per week.

ENTRY QUALIFICATIONS

Entry to the course will be considered in relation to the learner's previous knowledge and experience. Two GCSEs at grade C and 2 GCSEs at Grade D or above in English, Maths, Science and one other subject or equivalent qualifications are required.

Motor Vehicle Apprentices must be employed, for a minimum of 30 hours a week (including day release) at a workplace which must be approved for Health and Safety purposes by the Apprenticeship Team. Employers must be willing to sign up to the training agreement and have to be prepared for the Training Advisor to visit the workplace every 8-12 weeks for training reviews and regular health and safety checks. As well as studying for their Apprenticeship we expect all learners to complete a Functional Skills portfolio to Level 1 in Maths, English and IT.

WHERE COULD IT LEAD

Successful completion of this course could enhance employment opportunities within the Motor Industry or further studies. Providing that the Training Advisor, the Employer and Tutors agree, you will be able to progress to the Advanced Apprenticeship.

FEES

Employers may have to pay a contribution for those over the age of 19. For more information please enquire within the Apprenticeship Team.
For all Apprenticeships the Learner is required to be paid at least the Apprenticeship minimum wage (Currently £2.50 per hour).

ADDITIONAL INFORMATION

A very high level of attendance is expected at College for the Apprentices as they are only attending one day per week where very intensive training takes place. Apprentices are provided with a Training Advisor to help and support throughout the course and the work place and to ensure the learner's progression.

HOW TO APPLY

You can apply for this course by applying [online](#), by filling out an application form from the College prospectus or by contacting the Information Officer on 01205 313218 for further information. The Information on this Course Information Sheet is correct at time of print, but can be subject to change at anytime.
