

Diploma in Construction and the Built Environment Level 2

INTRODUCTION

The Construction and the Built Environment Diploma provides a programme of applied and practical learning which introduces learners to the fabric of the world in which we live and its impact on individuals and communities.

This Diploma gives learners the opportunity to:

- Acquire knowledge of the construction and built environment industries.
- Develop understanding of the extent and significance of the built environment and of the activities that shape, develop and influence it.
- Develop skills relevant to the construction and built environment industries.

Learners following a Construction and Built Environment programme will also:

- Develop functional skills in English, Mathematics and ICT.
- Produce a project which complements the Principal Learning and/or supports their progression.
- Have a particularly wide choice of Additional and Specialist Learning from which they can choose other qualifications which reflect their interests and abilities.

HOW LONG WILL IT TAKE

This is a full-time course that will take one year to complete.

ENTRY QUALIFICATIONS

A relevant Level 1 vocational qualification or 4GCSE's at grade A- D to include Maths and English.

Applicants should provide a good reference and successfully complete an interview. Applicants will also complete an aptitude test, where they will have demonstrated abilities and an interest in the subject.

Entry to the Evening provision is through the Pre-Vocational evening course and associated assessment at the end of the course.

WHERE COULD IT LEAD

The Diploma will enable learners to progress into further and higher education and future employment.

FEES

Full time Courses are free for those who are under 19 on 31 August of the year they start their course. For others, fees may vary depending on personal circumstances. Please enquire for details.

ADDITIONAL COSTS

For workshop activities you will need to purchase your own safety footwear and protective clothing that meet the course requirements. For classroom activities you will need to provide stationary and writing materials
