These terms and conditions apply to all debts incurred with Boston College for all courses where the learner is being sponsored by their employer or a third party.

General

- 2 All charges are due at enrolment or upon receipt of a College invoice.
- 3 If the relationship between the learner and employer/sponsor terminates, the employer/sponsor will remain responsible for payment of all the fees.
- 4 If fees are unpaid, the College reserves the right to charge interest at a rate of 5% on the outstanding amount due.
- 5 If the debt is unpaid and recovery is made through the Courts, an additional charge will be incurred to reflect court costs.
- 6 If fees still remain unpaid after the due date, the College reserves the right to transfer the debt to an external agency for collection whereby additional charges reflecting the cost of the recovery will be incurred.
- 7 The College may retain certificates of achievement until all course related fees and charges have been paid.
- 8 All payments received will be offset against non-tuition fee charges in the first instance.
- 9 All fees and charges must be met in full and may not be offset against payments due from the College for services rendered.
- 10 All fees and charges are due in full, regardless of the date attendance commenced, level of attendance or non-completion of the course.
