## WHY STUDY YOUR DEGREE WITH BOSTON COLLEGE?

### Excellent tutor support

Our class sizes are small enough to ensure you receive support from our lecturers throughout your studies.

### Fees lower than most universities

Plus, you can apply for a student loan to cover the costs of course fees. You may also be able to apply for various grants and loans to support your learning. [www.gov.uk/student-finance](http://www.gov.uk/student-finance)

### Save money living at home

Studying locally can substantially reduce your living costs such as rent and food, compared to moving away to university.

### Career focused qualifications

We will prepare you for your career in the workplace as you develop the skills employers are looking for.

### Attend just two days a week

Attendance for your course at college will be no more than two days a week – you also have the option to spend more time in college studying independently.

### Celebrate your success at Graduation

Celebrate your amazing achievement with family and friends at our prestigious ceremony in Boston. Be proud to inspire others in your local community.

## EDUCATION IS EMPOWERING

Education is life changing and we want you to have the opportunity to reach your full potential and progress your career! Gaining higher qualifications is an amazing achievement, it is empowering, and it will stay with you throughout your life.

Discover the next step of your journey with us...

Gill Bush, Head of Higher Education
