

Prevent Duty Statement

Boston College is fully committed to safeguarding and promoting the welfare of all learners and staff.

We recognise that safeguarding against radicalisation and extremism is no different from safeguarding against any other vulnerability. We expect all of our staff, learners and services contracted to the College, to uphold and promote the fundamental principles of human rights and British values and exemplify these in their practice.

These include:

- ▶ **Democracy.**
- ▶ **The rule of law.**
- ▶ **Individual liberty.**
- ▶ **Mutual respect and tolerance of those with different faiths and beliefs.**

This statement reinforces our expectation that all staff at the College are fully engaged in being vigilant about safeguarding, radicalisation and extremism.

We will ensure that the College works in partnership with professional bodies, external agencies and partners in our local community, to ensure that all learners are safe from harm.
